

# 2017 TREK SCHOOL RACE SERIES

## About

The Trek School Series is a grassroots race series designed to get new students into the fun, safe and healthy sport of Mountain Biking! This series has been around for over 10 years, and has been brought to you by Superfly Racing for the past 5 seasons.

The series this year rocks again with 4 races to challenge high school and elementary school age mountain bike racers. The Trek School Race Series has proven to be a great introduction to the sport as well as excellent development for riders and school teams participating in the OFSAA sanctioned Ontario Challenge MTB Race on June 2nd<sup>nd</sup>.

## Registration and Number Plates

Registration closes 20 minutes prior to race start. One person per school may pick up their whole team's number plates / registration kit. Otherwise, kits may be picked up individually.
