

2018 ONTARIO HIGH SCHOOL MTB CHALLENGE

An OFSAA-sanctioned event

June 8, 2018

About

Mountain Biking is a healthy active and safe sport that introduces high school students to unique trail travel while enjoying diverse, forest ecosystems. Mountain Biking challenges riders to navigate twisty fast single-track, technical climbs and gnarly forest descents with speed and efficiency. The Durham Forest 2018 OFSAA-sanctioned MTB race continues the process of eventually leading to a full OFSAA provincial championship. Durham Region welcomes all high school MTB racers from across the province to come compete and challenge the Durham Forest trails while promoting the development of Mountain Biking as Ontario's newest OFSAA sport.
